

Free Whitening for Life

Would you like to brighten your smile – for free? Our dentist is pleased to offer our Free Whitening for Life program to help you keep your smile healthy and beautiful. All you need to do is visit our office every six months for your routine dental cleanings and exams, and we will provide you with complimentary teeth whitening.

To learn more and to schedule your first visit, please call us today at
360-943-4777
